## Paper snow - frost

Papersnow Frost is used for dusting trees and sets with a fine layer of soft white powder.

The special effect can be set when items are misted with water beforehand. Adding a layer of ice sparkle from the glitter range will enhance the effect.

One 20kg bag will cover approximately 150sq.m with a fine layer.

Available from stock and usually despatched within 24 hours of your order. Part code: SNPSF20
