## Show snow black - artificial display ash

MTFX Show snow is a black flake snow ideal for use in theatres, tv and film

It can be used as a laid ash or in the MTFX packman snow machine to create a gently falling ash shower effect. When used in the Packman falling snow machine, one 4kg box will last from 15 to 45 minutes depending on the speed setting used.

Also available in white.

Available from stock and usually despatched within 24 hours of your order. Part code: SNSHSB4
