## Show snow - artificial display snow

MTFX Show snow is a bright white flake snow ideal for use in darker venues such as theatres, clubs and marquees.

It can be used as a laid snow or in the MTFX packman snow machine to create a gently falling snow shower effect. When used in the Packman falling snow machine, one 4kg box will last from 15 to 45 minutes depending on the speed setting used.

Also available in black.

Available from stock and usually despatched within 24 hours of your order. Part code: SNSHS4
